Section 5.1 Creation of the Lien and Person Obligations of Assessments.

(a) Notwithstanding any provision or inference in this

(b) Declarant, for each Lot in Use owned within the Properties, hereby covenants and each Owner of each Lot in Use, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments on Lots in Use together with such interest thereon and costs of collection thereof, as hereinafter provided, including, without limitation, reasonable attorney's fees, shall be a charge and continuing lien on real property and improvements thereon against which each such assessment is made and shall be the personal obligation of the person who was the Owner of such property at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to successors in title unless expressly assumed by them.

(c) Notwithstanding the foregoing, the Declarant may, at its election, postpone, in whole or in part, the date on which assessments shall commence provided that the Declarant maintains the Common Area for which no assessment is being collected during the period of such postponement.

Section 5.2 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the beautification of the Property, the recreation, health, safety and welfare of residents of the Property, the enforcement of these covenants and restrictions, and the rules of the association, and for the improvement and enhancement of the Property and providing the services and facilities devoted to this purpose and relating to the maintenance, expenses of

Section 5.3 Maximum Annual Assessments

(a) Until January 1, 1990, the maximum annual assessment shall not be in excess of One Hundred Dollars (\$100.00) per Lot in Use, except as otherwise provided herein, the exact amount of which shall be determined from time to time as provided in subsection (d) of this Section 5.3.

(b) From and after January 1, 1990, and each year thereafter, the maximum annual assessment for each Lot in Use may be increased by the Board of Directors of the Association without a vote of the membership, by a percentage which may not exceed the greater of five percent (5%) per annum, or the percentage increase of the level of the consumer Price Index for Urban Wage Earners published by the Bureau of Labor Statistics of the United States Department of Labor (or similar standards) over the preceding calendar year. Such percentage increase shall be determined by comparing the Index level for December of the year immediately preceding the year of adjustment with the Index level for the previous December.

(c) From and after January 1, 1990, the maximum annual assessment may be increased by any amount approved by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for such purpose in accordance with Section 5.5.

(d) After consideration of the current expenses and future needs of the Association, the Board of Directors shall fix the annual assessments at any amount not in excess of the maximum as determined pursuant to the previous subsections of this Section 5.3.

Section 5.4 Special Assessments for Capital Improvements

In addition to the annual assessments authorized above, the Association may levy in any assessment year a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any new construction, reconstruction or described capital improvements or unexpected repair or replacement of described capital improvements upon the Common Area, including the necessary fixtures and personal property related thereto; provided that any such assessments shall be adopted by a two-thirds (2/3) affirmative vote of each class of Members voting in person or by proxy at a meeting duly called for such purpose in accordance with Section 5.5

Section 5.5 Notice and Quorum for Any Action Authorized Under Section 5.3 and 5.4.

Written notice of any meeting called for the purpose of taking any action authorized under Sections 5.3 and 5.4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At any such meeting called, the presence of members or proxies entitled to cast one-half (1/2) of all votes of each class of membership shall constitute a quorum.

Section 5.6 Uniform Rate of Assessment.

Both annual and special assessments must be fixed at a uniform rate for all Lots in Use. Annual Assessments shall be collected on a semi-annual basis in advance, and shall be paid to any collection agent as may be appointed by the Board of Directors of the Association. Special assessments shall be collected as determined by the Board of Directors.

Section 5.7 Date of Commencement of Annual Assessments:

Due Date. The annual assessments provided for hereinafter shall be fixed on a calendar year basis and shall be due and payable semi-annually in advance beginning on such date as may be determined by the Board of Directors. Payment of the assessment shall be past due on the tenth (10th) day after the due date of each semi-annual installment. The Board of Directors of the Association shall fix the amount of the annual assessment of each

Lot in Use at least thirty (30) days prior to the beginning of the year for which the assessment is applicable. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due date of any special assessment under Section 5.3 hereof shall be fixed in the resolution authorizing such assessment. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment(s) on a specified Lot in Use have been paid.

Section 5.8 Effect of Nonpayment of Assessment; Remedies of the Association. Any assessment (or installment) not paid within ten (10) days after the due date shall bear interest from the due date at the maximum of 18 percent per annum, or any successor statute governing contract interest rates generally. The association may bring an action at law against the Owner personally obligated to pay the assessment or foreclose the lien granted to it hereunder and charge the costs of collection, including attorney's fees, to the Owner. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area or abandonment of his Lot. For purposes of this Section, the amount of delinquent assessments plus accrued interest and collection costs shall be considered evidenced by this paragraph, and this Declaration shall be considered an evidence of indebtedness.

Section 5.9 Subordination of Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall release such Lot from

liability for any assessments thereafter coming due or from the lien thereof.

ARTICLE VI
Architectural Control

Section 6.1 General Requirements.

(a) No structure of any kind (including, but not limited to, dwellings, buildings, pools, decks, porches, garages, fences, walls, mail boxes, outbuildings, or other accessory structures) shall be commenced, erected or maintained upon the Property, nor shall any addition to any existing structure or a change or alteration therein be permitted, until complete final plans and specifications therefor showing the nature, kind, shape, height, materials, basic exterior finishes and colors, location of floor plan therefor, and showing front, side and rear elevations have been submitted to and approved by the Architectural Control Committee of the Association described in Section 6.6 below as to harmony of exterior design and general quality standards of the area and the Huntington Subdivision community generally, and as to location in relation to surrounding structures and topography.

(b) In order to assure that location of houses will be staggered where practical and appropriate, the structure will be located with regard to the ecological constraints and topography of each individual Lot, taking into consideration topography, location of large trees and similar considerations. The Association, through the Architectural Control Committee, reserves the right to control absolutely and solely to decide the precise site and location of any house or dwelling or other structure upon all Lots; provided, however, that such location shall be determined only after reasonable opportunity is afforded the Lot Owner to recommend a specific site. Furthermore, the Architectural Control Committee shall have the right to review and standardize any exterior, architectural or accessory feature and all landscaping plans.

Section 6.2 Review Procedures. If the Architectural Control Committee fails to approve or disapprove plans or specifications submitted to it within fifteen (15) days after receipt of written notice delivering such plans and specification to it together with a request for approval, the Association shall be conclusively deemed to have approved said plans and specifications. Refusal or approval of plans, specifications, builder or location may be based upon any grounds, including purely aesthetic considerations which in the sole discretion of the Architectural Control Committee shall be deemed sufficient. The approval of the Architectural Control Committee shall in no event constitute or be construed as an approval or warranty by the Association of the stability, design or quality of any improvement.

Section 6.3 Builder Qualifications. Any builder performing any work on the Property must be approved by the Architectural Control Committee as to financial stability, building experience, and ability to build structures of a class and type of those which are to be built on the Property. No person, firm or entity shall be approved as a builder unless such person, firm or entity obtains its income primarily from construction of the type which the builder is to perform upon the Property. No Owner shall be permitted to act as his own builder or contractor for the exterior of any structure except where such Owner obtains his income primarily from the construction of the type of structure to be constructed upon the Property, and otherwise meets the qualifications for approval by the Association as hereinabove set forth.

Section 6.4 Completion of Improvements. The exterior portions of all houses and other structures and site work and landscaping must be completed within one (1) year after the construction of same has commenced, except where completion is impossible or would result in great hardship to the Owner or builder due to strikes, fires, national emergencies, Acts of God, natural calamities or other catastrophic circumstances beyond the

control of the Owner or builder.

Section 6.5 Remedies of Association. In the event any Owner violates the terms of this Article VI, the Association or its duly appointed agents shall, after thirty (30) days written notice to Owner to cure such violation, and the failure of Owner to so cure, be entitled to enter upon the property of the Owner and cure such defect, including removal of any structure built in violation thereof, all at the cost and expense of the Owner. This right of the Association or its duly authorized agents shall be in addition to all other general enforcement rights which the Association may have for a breach or violation of the terms of the covenants and restrictions, and shall not be deemed a trespass by the Association or its agents.

Section 6.6 Composition of Architectural Control Committee. So long as Declarant or any entity with which Declarant is associated (an associated entity to be only one with respect to which the deed conveying ownership of any portion of the Properties makes specific reference to such association by language reading a substantially as follows: "For purposes of Section 6.6 of the Declaration of Covenants, Conditions and Restrictions to which the above property is subject, this conveyance is to be an entity with which Declarant is associated as defined in such Section") owns any portion of the Property, Declarant shall have the right to appoint the Architectural Control Committee which shall be composed of three (3) or more representatives. At such time as Declarant or any associated entity shall no longer own any interest in the Property, the Architectural Control Committee shall be appointed by the Board of Directors of the Association in accordance with the Bylaws of the Association.

No structure, including a residence, shall be located nearer than six (6) feet to both side Lot lines. For purposes of this paragraph, eaves, steps and uncovered porches or terraces shall not constitute part of a structure; provided, however, this exception shall not be construed to permit encroachment upon an easement shown on a recorded map or described within this Declaration. The foregoing shall not be construed to prevent the construction of driveways and sidewalks up to any side lot line or over easements shown on a recorded map.

(b) In the event of the violation of any of the setback requirements set forth herein or shown on the recorded maps, Declarant reserves the right, by written agreement of waiver, to waive such violation; provided, however, that the right to waive herein reserved shall apply only to instances in which a setback requirement is violated by ten percent (10%) or less.

Failure by the Declarant, the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. Enforcement shall be by proceedings at law or in equity against any person or persons, firm or firms, or entity or entities violating or attempting to violate any covenant and to restrain violation or to recover damages, or both. In the event a proceeding commenced by any party entitled to enforce the covenants is concluded in favor of such party, that party shall be entitled to recover from the defendant or defendants in such proceeding that party's reasonable attorney's fees incurred by the prevailing party in prosecuting such proceeding.

Section 9.2 Severability. Invalidation of any of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

(b) Attach to the amendment a certification as to its validity, which certification shall be executed by the Association in the same manner that deeds are

This Amendment to Declaration of Covenants, Conditions and Restrictions for Huntington Subdivision is made on the date hereinafter set forth by the undersigned owners of lots in Huntington Subdivision.

WHEREAS, the undersigned are the owners of 90% or more of the lots in Huntington Subdivision as of the date of this Amendment:

WHEREAS, WR PARTNERSHIP, a South Carolina general partnership (hereinafter Declarant) made and recorded the aforementioned Declaration of Covenants, Conditions and Restrictions for Huntington Subdivision (hereinafter Declaration) dated March 21, 1988, and recorded March 28, 1988 in the office of the Clerk of Court for York County, South Carolina in Deed Book 1013, Page 317; and,

WHEREAS, the undersigned owners desire to amend the aforementioned Declaration in order better to carry out the intent and purposes of said Declaration;

NOW, THEREFORE, in consideration of the mutual and reciprocal benefits, covenants, and conditions herein set forth, the undersigned do hereby amend the aforementioned Declaration as follows:

1. Article VII, Section 7.2(b) is hereby amended so that after Amendment said Section shall read as follows:

(b) No single family dwelling having heated square footage of less than 2,500 square feet (exclusive of unfinished basements and attics, screened porches, attached garages, and storage areas) shall be erected on any parcel of property designated as a part of Huntington Subdivision, except as hereinafter set forth. It is

specifically provided, however, that the Architectural Control Committee may waive this minimum square foot requirement so long as the exterior elevation and appearance of the dwelling is comparable to and consistent with the exterior elevation and appearance of other dwellings in the Subdivision. Notwithstanding the power vested in the Architectural Control Committee to vary the minimum heated square footage requirement set forth in this paragraph, no dwelling shall be erected in the Subdivision having a heated square footage of less than 2,000 square feet. As part of its plan review process, the Architectural Control Committee reserves the right to determine the manner in which square footage is to be proportioned and apportioned, with specific attention given to allocation of space to each living level, and the committee further reserves the right to require that the exterior elevation and appearance of any proposed dwelling be comparable to and consistent with the entire streetscape, as determined in the sole discretion of the Committee.

2. Article VII of the Declaration shall be amended so as to add the following Section 7.12:

Construction in Progress. Any contractor or builder constructing any improvements on any lot in the Subdivision and any owner of any lot upon which any improvement is being constructed shall be responsible to keep any such lot in an orderly and clean condition except for storage of construction materials and equipment, and normal construction material debris. Such owner, builder, or contractor shall provide for the collection of construction debris in an approved manner, and shall cause such debris to be removed from the site regularly during construction. No debris shall be burned, buried, or otherwise disposed of upon any lot, except for the use of such scrap building materials as may be appropriate for the filling of void areas which are part of any structure being erected on a lot. All rubbish, trash, or other debris not from construction materials (such as food containers or wrappings, or empty cartons, crates or wrappings of construction material) shall be collected daily and placed in a proper container for removal from the site from time to time. All work involved in the erection, alteration, repair, or other improvement of any structure on any lot shall take place between the hours of 7 a.m. and 8 p.m. Such owner, contractor, or builder or any subcontractor of the same shall abide by all rules, ordinances, regulations, and statutes of any governmental subdivision or agency governing or applicable to construction of any improvements on any lot in the subdivision including, but not limited to rules, ordinances, statutes, or

regulations applicable to environmental protection, building codes or regulations, waste or trash disposal, storage or keeping of hazardous materials or building materials, and health and safety standards.

3. In every other respect, the undersigned do hereby ratify and confirm the aforementioned Declaration in every respect except as specifically amended, modified, altered, or rescinded herein.

**CERTIFICATION OF AMENDMENT TO THE
DECLARATION OF COVENANTS CONDITIONS AND RESTRICTIONS FOR
HUNTINGTON SUBDIVISION**

This **CERTIFICATION OF AMENDMENT TO THE DECLARATION OF COVENANTS CONDITIONS AND RESTRICTIONS FOR HUNTINGTON SUBDIVISION** is made pursuant to Article IX Section 9.4 of the Declaration of Covenants, Conditions and Restrictions for Huntington Subdivision which is recorded in Book 1013 Page 317 of the York County Public Registry, as amended and supplemented by any instruments recorded thereafter (“Declaration”) and is effective upon recordation in the York County Public Registry.

Statement of Purpose

The Board of Directors for the Huntington Property Owners Association, Inc. (“Association”) has deemed it to be in the best interest of the community to amend provisions of their Declaration concerning leasing. The Declaration provides in Article IX Section 9.4 that it may be amended by an instrument signed by Owners of not less than 75% of the Lots. In accordance with the requirements of the Declaration, the following Amendments were approved by at least 75% of the Owners as evidenced by their signatures attached hereto. The due and proper adoption of the following Amendment is hereby certified by the President on behalf of the Association for recordation.

NOW, THEREFORE, the Declaration is amended as follows:

1. **Article VII General Residential Covenants Section 7.12 Leasing Restrictions** shall hereby be added as follows:

“Section 7.12 Leasing Restrictions. Leasing of Lots and the improvements thereon is permitted only as expressly provided herein. For purposes of this section, a Lot shall be deemed “rented” or “leased” if any occupant pays or provides money or other consideration of any type in exchange for permission to occupy all or any part of a Lot, for any period of time, regardless of whether the arrangement is characterized as a “lease,” “rental,” “license,” or any other legal relationship between the Lot Owner and occupant. The Effective Date of this Amendment is the date the Amendment is recorded in the York County Register of Deeds Office.

- (a) All leases shall be in writing. A copy of the lease shall be provided to the Association prior to the commencement of the tenancy and shall identify all permitted tenants/occupants by name. In addition, each lease must expressly state that it is subject to the Declaration, Bylaws and rules and regulations for the Association and that the tenant agrees to comply with these documents during the term of the lease. These provisions shall also apply to the extension or renewal of any lease.

- (b) The Lot must be leased in its entirety. The leasing of anything less than the entire Lot is prohibited. If a Lot is leased, the tenants and permitted occupants of the Lot shall be entitled to exercise all of the use, rights and privileges of the Lot Owner, and the Lot Owner shall not exercise or attempt to exercise any of those rights and privileges until the approved lease is terminated and the Lot Owner takes possession of and occupies the Lot.
- (c) If lease, the Lot must be leased for a minimum period of twelve (12) months ("Minimum Lease Term"). The Lot may be leased only to tenants who intend to occupy the Lot for the Minimum Lease Term. No Lot may be leased for any type of periodic tenancy, (e.g., "week to week", "month to month", "year to year", etc.). Any extension of a lease may be permitted but must be for the Minimum Lease Term unless the Board grants an exception in writing. No Owner may advertise the Lot for lease for less than the Minimum Lease Term.
- (d) No Lot Owner shall lease or rent his/her Lot for transient or hotel purposes.
- (e) Each Owner shall use his Lot for residential purposes only and shall not permit his Lot to be used in any unlawful manner. The maximum number of residents for any Lot shall not exceed any maximum that applies to the Lot pursuant to any applicable governmental requirement, regulation, ordinance or statute.
- (f) The Board reserves the right to waive any or all of these restrictions with respect to any particular Lot if strict enforcement thereof would result in undue hardship on the Owner. Decisions on claimed hardships shall be determined on a case-by-case basis, are in the sole discretion of the Board and are not appealable by the Owner.
- (g) In no event shall any lease release or relieve an Owner from the obligation to pay assessments to the Association, regardless of whether the obligation to pay assessments has been assumed by the tenant in such lease.
- (h) Notwithstanding any inconsistent or contrary provision in this Declaration, if and for so long as any Lot is encumbered by a mortgage insured by the Federal Housing Administration ("FHA"), Veterans Administration ("VA") or United States Department of Agriculture ("USDA"), any restrictions in this Declaration on renting, subleasing, or reconveyance of Lots that violate any mandatory FHA, VA, or USDA underwriting guidelines or requirements shall not apply to such Lot or its Owner, to the extent of any such violation, with any compliant portion of such restrictions remaining in full force and effect."

2. Except as herein specifically amended, the terms, provisions, conditions, and restrictions contained in the Declaration shall remain unchanged and as previously set forth in instruments recorded in the York County Public Registry.

IN WITNESS WHEREOF the undersigned Owners of the Huntington Property Owners Association, Inc., hereby certify with their signatures below that they have approved these amendments as required by the Declaration and in accordance with South Carolina law.
